

Position: Teacher

Job Description:

At Alistair Academy, we believe teachers are fundamental to preparing students to bring creativity into the world. The online classroom environment must reflect our learning philosophy, cultivate an atmosphere of high academics, and inspire students through engaging art enrichment. We're looking for an experienced teacher to organize and implement an approved curriculum in a learning environment that encourages students to develop their full creative potential.

The ideal candidate will tailor educational plans so that students grow intellectually, socially, and emotionally with art expression and academic learning at the core. The teacher should be passionate about their subject matter, their students, and the purpose of their teaching career. We are looking for teachers who have a desire to build professional connections between the academy staff and enrolled families based on mutual respect and trust. Above all, the teacher should cultivate a learning experience that is organized, meaningful, and enjoyable.

Objectives of this role:

- Foster interdisciplinary instruction according to curriculum standards and the educational needs and abilities of students
- Create a classroom culture that is welcoming, positive, and focused on creativity, peaceful learning, and academic excellence.
- Prepare and teach lessons that promote academic progress and joyful artistic expression in students.
- Mentor and model positive communication around student achievement, self-evaluation, and constructive feedback.
- Communicate, cooperate, and consult with school staff as well as parents/guardians to serve the best interests of students
- Build knowledge by attending professional training when available.

Responsibilities:

- Utilize a variety of teaching methods to create differentiated opportunities for learners
- Create and distribute educational supports, including reading materials, activities, and homework assignments, and use audiovisual accompaniments to facilitate interactive learning during class time
- Assess and evaluate student growth and give timely feedback on all assignments via Canvas
- Uphold high standards of professionalism in presentation and communication
- Collaborate with the Academy administrators and parents in providing students with academic and social support, if necessary

Required skills and qualifications:

- Bachelor's degree (or equivalent) in education, or bachelor's degree in a specialized subject area with a certificate in education or 5+ years of experience in teaching
- Ability to produce artwork examples sufficient for student imitation and reproduction
- Thorough knowledge of best practices and legal guidelines and ability to adhere to school procedures and policies
- Excellent organizational and communication skills
- Creative, positive, and energetic demeanor
- Ability to pass a background screening
- Proficiency with technology, including Canvas and Zoom
- Punctual and dependable

Compensation and benefits:

- Teachers are hired as independent contractors
- Starting rate of \$65.00 per class with room for increase based on performance and parent feedback
- No medical or dental benefits are available for independent contractors in this position
- Set your own schedule
- Work from home
